

Joyful And Ardent Labor In The Scriptures

Studying the Bible with humility and reverence.
Studying to get to know God in truth, then live accordingly.

“A woman has the right to choose!”

I plead with you, before you make that choice, weigh that God not only has the right to but *will* eventually bring each one of us into judgment concerning our choices:

Rejoice, O young man, in your youth,
And let your heart cheer you in the days of your youth;
Walk in the ways of your heart,
And in the sight of your eyes;
But know that for all these
God will bring you into judgment (Eccles. 11:9).

If you are thinking about having an abortion but have not seen what an abortion is, please, do not turn a blind eye to the unborn life you are carrying. I have linked to graphic images of first-trimester, second-trimester, and late-term abortions [<http://www.priestsforlife.org/images/abortion-images-galleries.aspx>] so that you may also weigh material evidence in your process of reaching a decision.
